Curriculum Enhancement Mini-Grant Applications

Dear Gahr High School Faculty and Staff,

In an effort to assist faculty and staff with needed resources to benefit our students, Gahr HS PTSA established the Mini-Grant Program. The grants offered this year are up to \$100 to faculty and staff that are members of the Gahr PTSA and require funds for special projects for which other funding is not available. Teacher/staff may apply individually or as a group for funding toward special programs, equipment or resources. Mini-Grants can fund:

- Support for School Programs
- Instructional CD's, Videos and Software
- Electrical or Electronic Equipment
- Entry Fees or Admission Costs to Museums or Other Field Trip Destinations

Attached is our grant request form for use during the school year. The form includes all information that should be included in your request. You are welcome to submit your own form or an email message, but please include all information requested in the attached form.

Generally the PTSA board looks at the following criteria when evaluating grant requests:

1. What is the educational value to the students?
2. How many students benefit from the award?
3. Does this grant support/enhance the GHS curriculum?

Routine supplies are usually not purchased with PTSA grants.

Attached is the grant request form. You can email the completed form to gahrhsptsa@gmail.com. The form is not required. It works just as well to send the information in an email message. **NO Grant Applications are accepted after May 10th.**

If you have any questions, please email us at gahrhsptsa@gmail.com.
