Gahr High PTSA Parent Partnership Meetings 2019-2020

Gahr PTSA, in collaboration with Principal Ricardo Lois, has planned a series of relevant and dynamic Parent Education Evenings for 2019-2020. As a community, we all need to work together to support and empower our students. Parent Education Evenings are designed to support our parents in being informed about the issues impacting our students. Please "save the dates" and plan to attend. Our goal is to have all parents and guardians to be as active as they can be in their student's secondary education. Meetings are typically on the 4th Tuesday of every month, with the exception of December. Meetings are set for one hour to respect your time.
